

The Las Lomas Education Foundation is a parent-volunteer run organization that works to raise funds to bridge the gap between public funding and the actual cost of a high-quality education. Every year we raise a significant portion of these funds at the Annual Auction and Party. Thanks to generous support from businesses like yours, this event raised over \$385,000 last year to support our local public schools.

To help make this year’s event a success we are asking our local community partners and families to help by becoming a sponsor. Please consider donating at a level below that helps support our schools and provides meaningful exposure to your business and brand. As a sponsor you are investing in our incredible students, teachers, and programs that helps ensure our schools remain some of the best in the state. In return, we encourage our families to support and patronize our sponsors and auction donors.
